## Addition & Subtraction Word Problems

Use addition or subtraction to solve the problems below.

Show your work. Happy Halloween!

1. Sammy and his 2 friends each have 4 pieces of candy. How many pieces of candy are there all together?
2. Mary's mom said she can only go trick-or-treating on their street. Each side of the street has 6 houses. How many houses will Mary visit total (including her own house)?
3. Mom has 16 pieces of candy to give to trick-or-treaters. 3 kids have come to the house so far. If she gives each kid 1 piece of candy, how many pieces does Mom still have to give out?
4. Katie got 20 pieces of candy on Halloween. Her dog, Muffy, ate 5 pieces. How many does Katie have left?
5. Ben and his sister Emily both went trick-or-treating. Ben got 11 candy bars and Emily got 9. How many more bars does Ben have than Emily?
