# Tracking Toys

Santa's elves have been busy making lots of toys. This chart shows how many toys each elf has made today. Use the chart to answer the questions. Show your work.

1. Which elf has made the most toys today?

2. How many more toys has Sugar made than Bubbles?

3. If Buddy and Peaches put their toys together, how many would they have all together?

4. Tinker and Jingle were racing to see who could make the most toys. Who won?

5. Buddy, Twinkle and Peaches all sit at the same workbench. How many toys did their table make all together?

6. Who made the least amount of toys today?

7. What kind of chart is on this page?
