ANTONYMS BATTLE

How to play: To claim a square, write an antonym for the word in the square. For example, if the printed word is "hot," write "cold" or "cool" or another antonym inside the square. Be the first player to get 4 in a row, and you win the battle!

small	soft	rough	alive
backwards	easy	up	white
awake	bottom	outside	dumb
girl	wet	true	wrong
