

Silhouette of Abraham Lincoln Craft

1. Fold black construction paper hot dog
2. Cut 2 inches off the bottom
3. 4 inches up draw 2 white lines about an inch apart – not on the fold
4. Cut on the 2 lines, then cut up to the edge, and down to the edge, leaving the inch piece of black sticking out
5. Cut a squiggly line on the bottom (the end which is closest to the 1 inch tab sticking out.)
6. Cut a rectangle out starting on the fold. Curve the edges of the rectangle.
7. Cut a mouth, eyes and nose out of the rectangle.
8. Glue to white paper
